

## THREW HERSELF IN FRONT OF TRAIN

Persistent Attempt to Kill Herself in Presence of Husband.

### JAMESTOWN GOES AHEAD

President's Prompt Action Puts Management in Good Shape.

(Special to The Times-Dispatch.)  
NORFOLK, VA., March 30.—Mrs. W. B. Peters, of Norfolk, while with her husband, broke away suddenly and fell in front of a train on the Norfolk and Southern Railway. Even after her husband had caught her she struggled to fall before the locomotive. Meantime the train slowed and an awful catastrophe averted.

Mrs. Peters is the wife of a carpenter, and the supposition that her persistent attempt to commit suicide in this most horrible manner was due to trouble between her and her husband.

Norfolk is seeking to obtain the terminal of the trolley road that is proposed from Smithfield and Suffolk to Portsmouth. The narrowness of Queen Street, in Portsmouth, through which the road is suggested is the reason for the preference of Norfolk.

The property on which the Merritt and Chapman Wrecking Company has a station was sold to-day by Israel J. Merritt, of New York, for \$61,500.

**BRAIN PARALYZED.**  
William L. Dozier, aged forty-nine, had paralysis of the brain this morning and died in two hours. He was employed as a carpenter in the navy yard and there was no premonition of his death. He leaves a widow.

Detective Routledge, of Delaware, is here to verify an alibi asserted by John Williams, colored, under sentence of death at Wilmington for murder. Williams declared that he was employed by the Old Dominion Steamship Company here in 1892, at the time of the murder. The city directory gives the names of twenty men of that name at the time, and they are difficult to trace.

**WILL CALL ON THE NATIONS.**  
C. Brooks Johnston, chairman of the Board of Governors of the Jamestown Exposition Company, commends the promptness and the wording of President Roosevelt's proclamation, and said this morning that it would enable the management to take immediate advantage of calling on the foreign governments and cities for exhibits. The managers will formulate a plan for insuring foreign representation in all of the military and naval displays. In order to do this effectively there will be conferences in Washington and New York with embassies, legations and the commercial representatives of the countries to be asked to exhibit.

**PREACHER IN COURT.**  
Rev. C. W. Matthews, of Herford, N. C., was arraigned before Mayor Baird, of Portsmouth, this morning on the charge of drunkenness. He was arrested by the police, and on the evidence to be sent to jail, but he told his identity and pleaded to be allowed to pay a fine on the promise that he would leave the city at once. He was discharged. He is well educated and talented, but is a victim of the drink and of the drug habits. He was known at Portsmouth as a preacher ten years ago, and after a lapse was assisted to return to his pastoral duties. Since then there have been many lapses.

**SAILOR FINDS A WIFE.**  
Vance A. Montgomery, of Wilmington, N. C., and Miss Nora Ralls, of Scranton, Pa., were married here to-day by Rev. E. E. Dudley, of the Baptist Church. The groom is a fireman on the United States steamer Calverton, which put back in port for repairs to her machinery. He said the bride and her friend, Miss Lucille Marine, of Wilmington, Del., who wore a red cross on the sleeve of her blue coat, arrived here this morning on his invitation to be married. He had known the bride for two years, having met her while she was visiting Wilmington, N. C. When the cruiser came back he determined to accept the opportunity to marry and sent for the bride.

### EXPECT MONTAGUE.

A Large Crowd Likely to Greet Him at Spots.

(Special to The Times-Dispatch.)  
FREDERICKSBURG, VA., March 30.—Governor A. J. Montague has announced his intention of visiting Spotsylvania county next Monday, April 6, to consult with friends in the interest of his candidacy for the United States Senate. It is expected that a large crowd will be in attendance and that the Governor will deliver an address. Other prominent candidates for conspicuous offices are also expected to be present.

Candidates for the legislature in Orange county are slow coming out. Hon. J. C. Graves, the present incumbent, Mr. W. W. Sanford and Captain C. C. Tuller are all mentioned by their friends, but neither of them has yet made an announcement.

An excelsior mill owned by George Lyons, at Doodline, in Caroline county, was destroyed by fire Tuesday night, and there was no insurance.

Jim Slick, a handsome stepphaseer, which came in second in the Stepphase race of two miles at the Benning course at Washington, on Tuesday afternoon, is the property of Mr. C. H. Hunkamp, of "Boscoch" near this city.

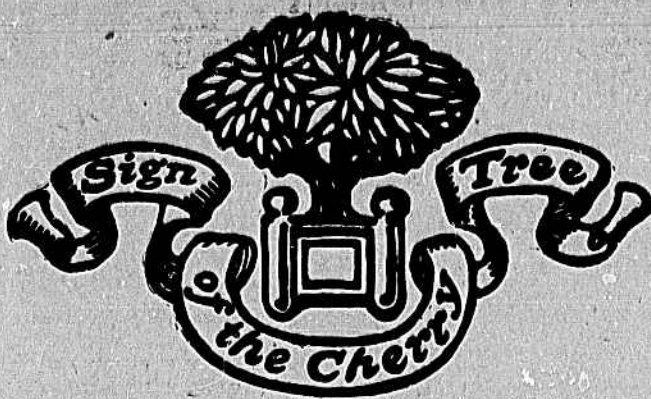

The Kenmore Shoe Company, of this city, is improving its plant by adding a large quantity of new and modern machinery, which will render it one of the best equipped plants in the South when completed.

### NEW SCIENCE HALL.

Contract Let for Fine Building at William and Fane College.

(Special to The Times-Dispatch.)  
WILLIAMSBURG, VA., March 30.—The Board of Visitors of William and Mary College met here to-day and authorized the building of a science hall, to cost about \$15,000. The plans and specifications were also adopted. Richardson and Son, of Hampton, will receive the contract for building the hall, as they were the lowest bidders.

**WE** have taken this space to tell you about Kirschbaum Clothes—made in the City of Philadelphia. Kirsch (cherry), baum (tree)—At the Sign of the Cherry Tree.

Kirschbaum Clothes are made by well-paid tailors, in clean, light, sanitary shops—State and National officials say the finest tailor-shops in the United States. The clothes are carefully made. They have style in them and fit and good looks.

One thing about Kirschbaum Clothes, their style is not a matter of geography. They are right in London or New York or San Francisco.

Over a million dollars' worth are worn in New York and Philadelphia every year, half a million in Boston and Washington. They are represented in every great College in America. They are sold by good stores in three thousand other cities and towns.

There are two things that go a long way in Philadelphia. In fact two things one is rather expected to possess—a grandfather and a well-cut coat. We can't supply you with the one, but we are ready with the other.

We expect to talk often to you about Kirschbaum Clothes. We shall keep after you until you try them. That's all we ask you to do. We ask it because we know the opinion of those who do try them and we know the clothes. It will pay you to know them. Better clothes are worth while. They are worth remembering the name and finding the store that sells them.

## MONTAGUE CLUB ELECTS OFFICERS

Young Man Hurdles High Railing in Dash for Liberty.

(Special to The Times-Dispatch.)  
ALEXANDRIA, VA., March 30.—The Andrew J. Montague Political Club of this city at a meeting held last night elected the following vice-presidents from the respective wards: First Ward, N. P. T. Burke and R. E. Knight; Second Ward, State Senator Lewis H. Machen and C. B. Paff; Third Ward, former Mayor George L. Simpson and John T. Harris; Fourth Ward, Frank S. Harper and Henry P. Robertson. Mr. Thomas A. Fisher was elected secretary.

A letter was read from Governor Montague commending upon the fact that the club was the first of its kind to organize in Virginia in the present campaign and complimenting the organization for its work. The club is increasing in membership.

William Whalen, a young resident of this city, charged with having a hand in several car robberies around Alexandria, created a scene in the Police Court this morning by breaking away from the officers who had him in charge and dashed through the crowded court room to the street, where he succeeded in eluding his pursuers. Whalen was about to be dismissed after a hearing by Justice Caton when Special Officer Duke, a railroad detective, asked to be allowed to take the prisoner in custody.

## COLORS WAVED TO LAST BATTLE LINE

The Gallant Twelfth Never Lost Its Bullet Torn Flag.

### DIVIDED AMONG THE MEN

Organization Being Organized to Build Monument to Mahone.

(Special to The Times-Dispatch.)  
PETERSBURG, VA., March 30.—The gallant Twelfth Virginia Regiment never lost its colors in battle. This is stated as a positive fact by officers of the regiment, and the report that three of the flags of this famous command are among those returned by the Government to Governor Montague is causing much comment, and needs explanation.

There were three Petersburg companies in this command and the survivors of these commands are the most anxious to know what flags these can be.

**NEVER SURRENDERED.**  
One who speaks by authority, declares that the colors of the Twelfth were divided into two as Appomattox and divided into two as Appomattox and divided into two as Appomattox.

The flags in question may be company flags lost at various times in the many battles in which the regiment participated. A monument to General William Mahone, the hero of the Crater, and defender of Petersburg, may be said to be an assured fact. The monument will be erected by the Mahone Monument Association, which is now being organized and will include prominent Confederate veterans throughout Virginia.

The association is to be a chartered organization. It is proposed to place the monument on the Sycamore Street side of Central Park, at a point nearly opposite Liberty Street.

**INCREASE STOCK.**  
Another large increase of the capital stock of the South Atlantic Cigar Company is expected to be soon forthcoming. It is also proposed to enlarge its manufacturing plant, and to put the company in an independent corporation, which was organized a few months ago by local business men, and only recently doubled its capital stock.

General Stith Bolling, commanding the First Brigade, Virginia Division of United Confederate Veterans, is to represent the Virginia Division, has extended invitations to Confederate Camps to attend the unveiling of three North Carolina monuments at Appomattox Court-house on the 30th of April.

The invitations are from Colonel H. A. London, chairman of the North Carolina Appomattox Commission.

### HEAVILY FINED.

**Eastern Shore Fair Association Elects Officers.**  
(Special to The Times-Dispatch.)  
ONANCOCK, VA., March 30.—Mr. L. R. Doney, Mayor of Onancock, has tried James L. Scott, proprietor of an oyster and soft drink saloon, known as "The Bowerly" for illegal sale of liquor without license. There were three bills against Mr. Scott. He was convicted on two of them and fined \$200 and sentenced to sixty days in jail. Mr. Scott took an appeal to the Circuit Court, giving bond.

The stockholders of the Eastern Shore Agricultural Fair Association at their annual meeting elected the following officers for ensuing year: T. S. Westcott, president; B. B. Maples, Jr., vice-president; J. H. Turner, secretary and treasurer. The association is one of the oldest in the United States. The twenty-seventh annual fair will be held at the grounds, near Keller, on August 23, and continue four days.

Mr. G. G. Joyner, superintendent of schools for Accomack county, has been asked by the citizens of Caroline to address their mass-meeting in the case of education in Virginia to be held at Bowling Green, on May 8th. The subject of the address will be the "Consolidation of Rural Schools." It is understood that a meeting of the masses to arouse them in the interest of education will be held in each county in the State during the spring.

The one in Accomack will be held at Lapsley on the 25th of April.

### DIVORCE GRANTED.

**Mrs. Henderson Gets Lump Sum in Lieu of Alimony.**

(Special to The Times-Dispatch.)  
WINCHESTER, VA., March 30.—At the March term of the Clarke county Circuit Court now in session at Berryville, a decree for divorce a mensa et thora was today granted in the suit brought by Mrs. Dorothy Henderson against her husband, George S. Henderson, to whom she was married last September. Mrs. Henderson's suit was based on the grounds of desertion and non-support. The plaintiff, who is a daughter of the late Major Henry, belongs to a distinguished Virginia family, and is said to have met the defendant at a house party given by Miss Julia Reid Taylor, at Winchester. She is a graceful equestrienne and her superb riding has won her fame at the leading Virginia horse shows, including Richmond. Mr. Henderson is a Kentuckian, but resides in Virginia.

In lieu of alimony, Mrs. Henderson gets \$3,500.

### MEN HAD TRACOMA.

Spanish Captain Gets Himself in Trouble With Authorities.

(Special to The Times-Dispatch.)  
NEWPORT NEWS, VA., March 30.—Captain Onofre of the Spanish steamship Nictro, was taken before United States Commissioner Garrett to-night on a warrant charging him with aiding and abetting seamen suffering with trachoma, an incurable and contagious disease of the eye, to leave the ship at this port.

The captain gave a bond of \$500 for his appearance before the United States Circuit Court at the next term. The police are now searching for the missing seamen, whose names are Levon Garabedian and Mulla Muhammad. The Nictro is bound from New Orleans for Boston, and is in here for bunker coal. The local customs authorities had been warned by the New Orleans officers that the diseased men were aboard.

To-day the skipper failed to produce the men upon demand, and the warrant was issued.
